<p>Letter from employer:</p> <p>I have been a member of the Palo Alto 2nd Ward for about 25 years. Three years ago I became seriously disabled and there are many things I cannot do including getting dressed and picking up things that have fallen to the floor. I cannot drive and I must have someone with a driver's license and a clean driving record, but does not need to have their own car.</p> <p>I'm looking for someone who can work <b>4 to 6 hours at a time, two or more days a week</b> The salary is <b>\$15 an hour</b>. Because I'm usually flexible with the hours I need to have someone here, this job is appropriate for someone who occasionally has other demands on her time. The women I hire will help me with personal care, take me to doctors' appointments, help me run my household, and shop for groceries. If you would like more information, please send me an email and we will find a time to talk.</p>	<p>650-941-2207</p>
